

#### WHY CHOOSE US

"Because we don't choose our customer, it doesn't matter if it's a big or small project, as long as we are able to provide you with our product or services, we will be more than happy to serve you!

Offix Pte Ltd is committed to helping it's client to design and plan their work space according to their requirements, providing a very personalize experience.

We have our own factory that manufactures our own office furniture, which means 100% customisation possibility, and we also work with many other reliable organisations in order to help our clients to build a very personalize space that is in-line with our clients corporate image!"

#### ABOUT OFFIX

Offix Pte Ltd was established in 2016 with a strong commitment to make changes to the industry. We supply office furniture that we manufacture under the brand Offix™ and we also provide turnkey solution for commercial market mainly Offices, Warehouses and Manufacturing Sector with our own professional workers, designers and draughtsman. Apart from supplying our products and services to end consumer, we also supply to a lot of well-known design firms and contractors locally.

At Offix Pte Ltd, we believe in doing business the honest way. We pledge to provide our customer with the best product and services at the most affordable rates. We understand that a lot of people are frustrated with how they are unable to find a trustworthy company that can support their operation and maintenance as well as support their company growth, and Offix Pte Ltd was established to provide solution to this problem.

We are very thankful for the opportunities and support that our customers have given us. Till date, we have supplied office furniture and provided our services to more than a thousand different satisfied customers and most customers come back to us again when they require our product or services.

We are only able to establish such a strong foothold in this industry because of the strong support from our supportive customers. We are currently expanding our team aggressively to provide better products/services to our customers, and also to better meet the demands of our highly treasured customers.

#### "OUR STATEMENT"

At Offix, we believe in:

- O: only quality products
- F: fast and efficient project management
- F: first class services
- I: identifying clients problem and providing the best solution
- X: x-factor within our people
